WIRQUIN PLASTIQUES

11 rue du Château de Bel Air
44482 Carquefou Cedex
France

Tel : +33 (0)2 40 30 31 25

Fax : +33 (0)2 40 25 23 38

Wirquin manufactures sanitary items and accessories for bathrooms, WC's and kitchen and is well established in France (Carquefou) and in many other international markets. The year 1969 marked the beginning of the group's involvement in the manufacture of plastic flushing mechanisms. This innovative idea was stimulated by Henri Wirquin, a sanitary ware wholesaler in Nantes. We are now 1400 talents all over the world (11 subsidiaries, 6 factories).

You are a woman or a talented man and you are looking for new challenges at an international level, join us!

A GROUP SENIOR PROJET MANAGER (OEM) PERMANENT CONTRACT AS SOON AS POSSIBLE

Within an R&D team, you will have product and technical responsibility within an international environment for OEM projects throughout the product lifecycle.

In this context and under the responsibility of the R&D group manager, you will be in charge of :

- Leading OEM Projects from a Project Management, Technical and Standards Perspective in close link with OEM Channel Director.
- Managing interface between the Project's you will be in charge of and all relevant departments within Group (Quality, R&D, Industry, Procurement, SCM, Manufacturing, Sales etc ...)
- Implement best Practices in order to securise and Optimize TTM, Cost and Product's performance ;
- Developp strong and sustainable partnerships with our OEM Customer
- Writing, standardizing and communicating all relevant product technical documentation
